

How Can I Keep Track of How My Student is Doing???

- ✓ Ask your student to show you how they are recording their homework in their agenda book. Ask to see the homework itself!
- ✓ Double-check assignments via [ParentVue Class Websites](#).
- ✓ Check grades via [ParentVue Gradebook](#).
- ✓ Ask your student to show you work they have been doing online in [Canvas](#) or [Google Classroom](#).

To access ParentVue, go to the [DHMS homepage](#). Under “Quicklinks” select ParentVue.

The screenshot shows the DHMS website homepage. At the top right, the letters "DHMS" are displayed in a large, bold, red font with a yellow outline. Below this, there is a navigation menu with three options: "FAMILIES", "STUDENTS", and "STAFF". To the left of this menu are four social media icons: Facebook, Twitter, YouTube, and Instagram. Below the navigation menu is a "Quicklinks" section with a list of links: "Engage with APS!", "Attendance Line: (703) 228-2911", "School Year Calendars", "MyAccess@APS for Staff", "Clinic", "Lunch and Breakfast Menus", and "ParentVUE". The "ParentVUE" link is circled in blue. To the right of the "Quicklinks" section is a "Traffic Signal Updates" section with a "Read More" button. Below this is a "Welcome to Dorothy Hamm Middle School!" section with a "Late Bus starts Monday, 9/9" announcement, a photo of a yellow school bus, and a "Read More" button. At the bottom of the page, there is an "Annual Online Verification Process is now available" announcement and a "ParentVUE" link. The "ParentVUE" link is circled in blue.

For help with your student's iPad: from the [DHMS home page](#), select the Technology Tab. Complete a Student Technology Help Request form.

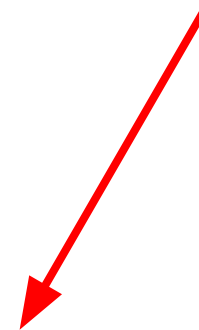

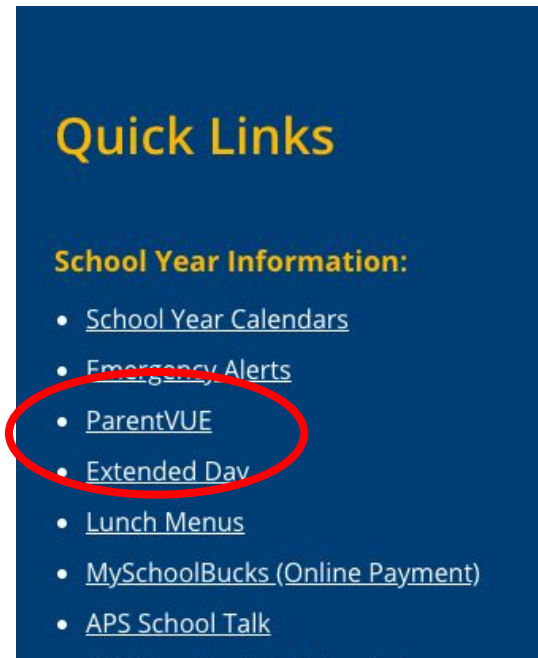

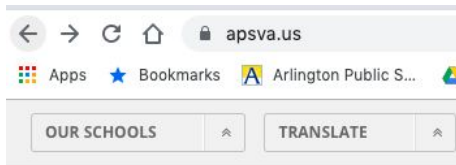

About Canvas: Families do not yet have the ability to directly access Canvas. To see what your student is doing online, ask them to log in and show you their work.

Some important things to keep in mind:

Not all work is done online. The Canvas “gradebook” is NOT the official gradebook. Canvas is not synced to the teacher’s gradebook, so an assignment may have a grade in Canvas, but may not be in the official gradebook yet.

For help with a ParentVue account: from the [APS home page](#), select Families, then ParentVue.
