

HIGH SCHOOL CHALLENGE PATHWAYS: WHAT'S RIGHT FOR YOU?

Interested in learning more about the different challenge pathways available to you in high school? Want to get a student's perspective on what it is actually like to be an AP, IB, TJHSST, HB, or PBL student? Please attend this information session! There will be an overview of each program and a panel of high school students to answer your questions and share first hand experiences.

The student panel will represent a variety of challenge programs and will not focus on one specific school. Please attend this event in addition to the high school info sessions.

DECEMBER 3RD, 2020
7:30PM - 8:30PM

The virtual link to join the meeting will be shared via email on the day of the event. If you have any questions, please contact Kat Partington at katherine.partington@apsva.us.
